MUSEUM APARTMENT HOTEL

INDEPENDENT
COLLECTION 

247 Wakefield Street, Te Aro, Wellington

Become the curator of your very own adventure. It all starts here, in the heart of Wellington's cultural scene. Step into our artful surrounds, ogle at the works in the lobby, then follow the treasure-lined corridors down to your very own door.

And the gallery doesn't stop there. The exhibition extends into your art-filled apartment, where every amenity is assembled just so. With plenty of intrigue to excite the senses, it's your own personal vault of curiosity... but don't let that hold you back.

There are ample experiences to add to your collection, with full access to all of QT's outlets. There's French fare to be savoured at Hippopotamus, signature cocktails to sip at Hot Sauce, and nights to cap in the Lobby Lounge.

Big ideas are waiting to be sparked in inspiring conferencing spaces. And in the onsite leisure facilities, there are laps of luxury to swim and sweats to break.

Ready to venture a little further? Take to the streets to breathe in waterfront bliss. Marvel at artefacts in Te Papa Museum, seek entertainment at Courtenay Place and embrace the Welly wind at Oriental Parade beach.

So go forth, make a little history. Gather good times and preserve your memories of urban excursions. We've collected all the marvellous things, so you can focus on the Wellington moments that matter most.
